extract from the Punjab Government Gazette Extraordinary dated the 5th July, 1936

GOVERNMENT OF PUNJAB
DEPARTMENT OF PUBLIC WORKS
(B. & R.) BRANCH

Notification

The 5th July, 1936

No. 473/96-BR(I).3738-A.—The Governor of Punjab is pleased to amend para 7.26 (c) of P.W.D., B. & R. Manual of Orders as under:—

Due publicity should be given to the tender call notices and the following procedure should be followed in this respect:

(i) In case of works costing over Rs. 500 lacs the tender notice should be advertised in the press. Tendering Dept. will select the target Newspapers and the number of Papers in which advertisement should appear. The Executive Engineer should forward such notices to the Director, Public Relations, Punjab well in advance so that there is clear notice as detailed below after the publication of the tender notice in the Newspaper:—

Works costing between Rs. 500 lacs to 50.00 lacs about 10 days.

Works costing between Rs. 50 lacs to Rs. 2.00 crores about 15 days.

Works costing ^{above} Rs. 2.00 crores about 21 days.

Works costing Rs. 500 lacs and above should be addressed to selected reputable Contractors Union of the District. Besides letters, notices should be posted under Postal Certificate. Copies of the tender call notice should also be sent to all the Divisions for being established in the respective Board.

In case of small works contractors the letter should be issued to such Contractors as are working in the particular Division to which the work relates.

2

(ii) In case of works costing over Rs. 50,000 and upto Rs. 5,00 lacs the procedure to be adopted should be as per Sub-Clause(i) above with the exception that the tender notices should not be advertised in the press. 7 days clear notice should be given. To ensure their exhibition in the offices of various Divisions in time, the Executive Engineer should forward the brief notices as also the formal tender call notices to the other Divisions three days earlier. Thus the date of issue of notice should be 10 days before the date of receipt of tender.

In addition letters should be addressed simultaneously to the Contractor Union of the District and Assistant Registrar, Cooperative, L. & C. Societies of the District under postal certificate.

(iii) For works costing over Rs. 10,000 and upto Rs. 50,000 the tender notices should be exhibited in all the Divisions and Sub-Divisions offices of the Circle of Superintendent concerned, 7 days clear notice should be given in this case. The notice is to be issued by the Executive Engineer.

In addition letters should be addressed simultaneously to the Contractor Union of the District and Assistant Registrar, Cooperative, L. & C. Societies of the District under postal certificate.

(iv) For works costing up to Rs. 10,000 the tender notices are to be exhibited in the office concerned as also in the Sub-Division of that Division. 4 days clear notices should be given in this case.

In addition letters should be addressed simultaneously to the Contractor Union of the District and Assistant Registrar, Cooperative, L. & C. Societies of the District under postal certificate.
